**1240-6-9-.01 SET-ASIDE ASSESSMENTS.**

- (1) The Set-Aside Assessment (or administrative fee) is a charge levied against the net proceeds of each vending facility. The manager is responsible for the payment to the Agency of this assessment each month. It represents a certain percentage of the net proceeds realized as a result of the facility's operation. Incentives and/or discounts may be offered to those managers who meet established performance standards, pay fees on-line, hire legally blind employees, or meet other established requirements.
- (2) Net proceeds are determined from net sales, less merchandise cost and other allowable expenditures, plus commissions, vending machine income remitted to the manager under chapter 1240-6-14, and rebates and bonuses paid to the manager. The amount of set-aside assessment may not be deducted as an expense in computing net proceeds. All funds collected as set-aside assessments are deposited in an interest-bearing account.
- (3) The percentage of net proceeds to be paid to the Agency by each manager is predicated upon a schedule negotiated between the Agency and the Committee, determined to be sufficient for the TBE's operation, while at the same time allowing for the retention of reasonable reserves by the Agency. In no event shall any negotiated schedule exceed a maximum of fifteen (15) percent as prescribed by T.C.A. § 71-4-509, nor shall any new schedule be implemented without the approval of the U.S. Rehabilitation Services Administration.

The report and the payment of set-aside assessments currently due the Agency shall be postmarked on or before the 8th day of the month following the month in which the business was transacted. If the Agency's technology permits, the manager may be afforded the opportunity to file his/her reports and pay fees on-line provided the deadline of the 8th day of the month would still be applicable.
- (2) If a manager fails, without the showing of good cause, to file the monthly financial report and/or fails to make payment of set-aside assessments as required by these rules, the manager shall be placed on probation for a period of thirty (30) days pursuant to chapter 1240-6-3-.02(1) for either one or both of these infractions. For each offense, the Agency shall assess the manager a penalty of \$25.00.
- (3) Falsification of records by the manager, as validated by the Agency or other state entity, will result in the termination of a manager's license without placing the manager on probation. The termination will be preceded by a thirty (30) day written notice by the Agency advising the manager of such action and his/her right to appeal in accordance with chapter 1240-6-11.
